## Whats New?

### SELETTI Palace Dinnerware Collection

Architecture meets tableware - an absolutely breathtaking marriage. This stacked dinnerware of Florentine-inspired Renaissance buildings is the latest in Seletti's collection. Each building is made up of six pieces, with the roof doubling as a dish once flipped over. The set includes salt & pepper pots, dinner and dessert plates, soup and small bowls in pure white porcelain. This is one dinner set you will NOT hide in the cupboard - best kept on display and admired, when not in use.

Palace Dinner Sets start from \$190

### Flameless Wax Candles

Enjoy the seductive ambiance of candles without the mess and fire risk. These new candles are made from a wax shell, fitted with quality LED lights powered by household batteries and controlled by timers. The candles flicker and cast dancing shadows just like a real flame. Lightly fragranced and meticulously crafted in a variety of sizes, they are the perfect addition to any room or setting. Safe for kids and elderly.

Flameless Wax Candle from \$14.95

### Automobilia Classics

Does the man in your life like to reminisce about his past automobiles. We have some classic collections of Kombis, tractors, motorbikes, scooters and classic cars, both Aussie and French.

From \$14.95

32cm Surfer Kombi \$99
